Quality and Tradition since 1948

KOLIOS S.A. Greek Dairy specialises in the production of excellent quality dairy products since 1948. As one of the most dynamic Greek food companies and one of the best equipped dairies in Europe, KOLIOS holds a leading position in Greek cheese and yogurt production and in Feta P.D.O. cheese exports.

Ultra-modern factory in the heart of Northern Greece

KOLIOS processes fresh sheep's, goat's and cow's milk in the ultra-modern factory of the company, which covers 48.000 m² of production facilities. It is located in Limnotopos of Polykastro Kilkis, in an idyllic farming area, in the heart of the Northern Greek region of Makedonia, 60 km from Thessaloniki. The milk is collected daily from selected and controlled farms of Greece by the company's fleet of fully-automated and isolated tank-trucks.

Excellent raw material and advanced production procedures

The excellent raw material, the fully-automated state-of-the-art production lines, the well-trained and specialized personnel and the thorough quality controls applied at every production stage, ensure the excellent quality of KOLIOS products.

The quality management system implemented by the company is certified according to the strictest international standards: **ISO 22000**, **ISO 9001**, **ISO 14001**, **BRC**, **IFS**, as well as **AGROCERT** and **BIO HELLAS**.

KOLIOS's successful approach to Environmental policies and the high business ethics of the company led to the successful SMETA Best Practice 4-Pillar certification, based on a Human Rights framework, the Ethical Trading Initiative (ETI) Base Code, Local Law, and Environmental and Business Ethics.

Proud member of
Sedex

Worldwide distribution

KOLIOS products are distributed through the company's well-organized sales and distribution network and the company's own fleet of refrigerated trucks throughout Greece.

Moreover, KOLIOS products are exported to 55 countries worldwide, to Europe, the USA, Australia, the Middle East, Africa and Asia.

Wide range of Authentic Greek cheeses and yogurts, suitable for every demand

KOLIOS produces a wide variety of traditional Greek cheeses and yogurts of unsurpassed flavour and excellent taste. Main products are Authentic Greek FETA P.D.O. cheese and all Greek white cheeses from sheep's, goat's and cow's milk. The variety includes a wide range of yellow cheeses such as Kasseri P.D.O. and grill cheese but also a diversity of vegan cheese alternatives. The range is completed with an assortment of delicious Greek yogurts. All products are offered in various practical packages, suitable for the end-consumer, as well as for professional use and gastronomy.

Award-winning quality and effective customer service

The quality commitment of KOLIOS has been decorated by winning numerous prestigious awards. During the past 5 years, the Feta P.D.O. and the Greek Yogurt of KOLIOS, has gained more than 20 international awards for exceptional quality and taste from the German Agricultural Society, the Golden Quality Food Award of UK, the International Cheese Award, the World Cheese award and the International Taste & Quality Institute. Authentic Greek yogurt has been awarded 3 stars, 4 years in a row and has gained the "Crystal Taste Award" from the International Taste Institute.

Continuous evolution

Aiming at a continuous evolution, KOLIOS invests permanently in new technologies and in the training of the staff. By combining tradition with great knowledge and modern know-how, the company produces authentic Greek dairy products of exquisite quality and high nutritional value.
